Sub: South East Asia's largest pharmaceutical event ASIA PHARMA EXPO 2024 to be held during 29 February to 02 March 2024 at Bangabandhu Bangladesh China Friendship Exhibition Centre (BBCFEC), Purbachol, Dhaka, Bangladesh.

Dear Sir

As you are aware that Bangladesh is the largest producer of formulation products among (Least Developed Countries) LDCs; and now exporting to more than 157 countries across the world. Bangladesh Aushad Shilpa Samity (Bangladesh Association of Pharmaceutical Industries - BAPI) is the apex body with more than 190 Member Companies represents the country's pharma industry. The Member Companies are fully equipped to cater the requirements for the domestic as well as the exports with high volume world-class production facilities meeting the US-FDA and WHO-GMP standards, as well.

Bangladesh Aushad Shilpa Samity is going to organize for the 15th time in Bangladesh ASIA PHARMA EXPO 2024 (APE 2024) an International Pharmaceutical Exhibition scheduled to be held during 29 February to 02 March 2024 at Bangabandhu Bangladesh China Friendship Exhibition Centre (BBCFEC), Purbachol, Dhaka, where Bangladesh is focused to evolve the opportunities in the South Asian pharma region. APE 2024 international exhibition and seminar at Bangladesh has noticed an excellent response from the international pharma allied manufacturers across the world to display the latest developments and the technology.

A wide range and variety of products/services will be exhibited to update the information and the knowledge, includes, Pharma Processing and Packaging Machineries and Materials, Laboratory Supplies, API & Bulk Drugs, Biotechnology, Research Institutions, Utilities, and related services. More than 630 companies from 28 countries including Bangladesh have already confirmed their participation at APE 2024.

APE 2024 is being considered as the South East Asia's one of the largest pharma events in terms of number of countries and number of exhibitors. With the aim to take the maximum benefits from APE 2024 exhibition, a good number of exhibiting companies are participating and at the same time, a high volume of trade professionals will schedule their Business Visit to Bangladesh especially for APE 2024. These will generate the ample opportunities for Bangladesh in terms of trade and technology developments and investments on larger scale.

We shall be grateful if you would kindly intimate all Director General, Counselor deputed in Bangladesh Mission in abroad to invite the Regularity Authorities & all pharma manufacturer, pharma based Association/Chamber/Importers for the respective counties on behalf of BAPI and also to request them for smooth visa clearance for the interested participants / visitors for ASIA PHARMA EXPO 2024.

We solicit your wholehearted co-operation in this regard to achieve our objectives in expanding pharmaceutical export market in abroad.

Thanking you

S. M. Shafiuzzaman
Secretary General
