

This is for the information of all Bangladeshi students desiring to study in Canada that the High Commission is fully aware of the need and importance of inclusion of Bangladesh under the Student Direct Stream (SDS) and is engaged in pursuing the issue with the Global Affairs Canada and Canadian Immigration Authorities for last few months.

The High Commission is also pursuing the relocation of Canadian Visa Centre to Dhaka. Both the issues are high on the agenda of the High Commission.

If any body wishes to write to the High Commissioner on this or any other issue, they should write to him at the email: hc@bdhcottawa.ca
