

BANGLADESH DEPUTY HIGH COMMISSION, KOLKATA

NOTICE

ENROLLMENT OF FOREIGN STUDENTS/RESEARCHERS AND EXCHANGE OF VISITORS/SCHOLARS/STUDENTS IN RAJSHAHI UNIVERSITY, BANGLADESH

1. The University of Rajshahi, Bangladesh is the second oldest and largest government university in Bangladesh, which started its academic journey in 1953. The University has 38,300 students and about 1,120 highly qualified teachers in its 59 department under 12 different faculties. The University constructed with a huge campus housing a large number of academic and administrative buildings and halls of residence for both male and female students. The University has a longstanding reputation as an institution of higher education offering both undergraduate and post-graduate degrees including M. Phil and Ph.D.
2. Recently, the University of Rajshahi has launched an office named "*Office of the International Affairs*" to encourage foreign students, researchers and visiting scholars from different countries to join the university for study and research. The office is also co-ordinates between the different departments and institutes of Rajshahi University and foreign universities for admission, visits, developing new collaborations and signing of new Memorandum of Understandings (MOUs). The University already has formal collaborations and MoU with more than 150 universities across the world.
3. The University is cordially inviting the interested foreign students and researchers to visit and enroll in different academic programs for study and research. For detailed information interested persons may communicate directly to the "*Office of the International Affairs*" in the following address:
