

# VICINO / LONTANO

## A JOURNEY TO EXPLORE THE CULTURAL HERITAGE OF IMMIGRATION IN ITALY

On the occasion of the 50<sup>th</sup> Anniversary of the 1972 UNESCO Convention concerning the Protection of the World Heritage

Join the Italian National Commission for UNESCO 2022 Exhibition with one or more photos!

Do you live in Italy but come from Europe, Asia, Africa, America or Oceania?

Send us one or more photos of your country of origin taken by you, by one of your acquaintances, or by one of your relatives, as well as photos kept on your mobile phone, on a computer, or in a drawer.

The pictures should represent the cultural and/or natural heritage of your country and will be displayed in an Exhibition that the Italian National Commission for UNESCO will organize in November 2022 in Rome.

Particular emphasis will be given to images depicting:

- Sites acknowledged as world cultural heritage by UNESCO, either represented with or without people.
- Places with significant cultural and environmental heritage such as historical cities, villages, parks and natural reserves, religious sites and places of artistic importance.
- Contexts that illustrate daily life such as food, home, spirituality and social aggregations.
- Portraits of people or places that are particularly important in terms of cultural identity.

Send one or more of these images to the following email: [mostrapatrimonio@gmail.com](mailto:mostrapatrimonio@gmail.com) no later than July 30, 2022.

In the email you must indicate the name, surname, telephone number of the person sending the email, and - if possible - the details and contacts of the photo authors. The printing and exhibition of the photos will be agreed upon with the authors. The name and surname of the photo author(s) and of the person(s) who collaborated on the retrieval will be mentioned in the captions.

**The exhibition of the Italian National Commission for UNESCO 2022 will be a great opportunity to celebrate the diversity of the world's cultural heritage: help us to enhance and publicize the cultural heritage of your country or the country where you come from.**
