

Job Fairs and Matching Events

From November 2023 to March 2024

Immigration Services Agency is going to hold **events for foreign nationals residing in Japan and abroad to connect those who want to work in Japan** and companies which want to hire foreign nationals **under the status of residence "Specified Skilled Worker"**. Please see details below.

Event overview

- This is a free event hosted by Immigration Services Agency.
- Domestic matching events focus on recruiting foreign human resources in Japan.
- The Overseas Job Fair is a web-based event designed to promote interaction between overseas human resources and Japanese companies.
