Message

2024 marks the 50th anniversary of the establishment of our friendship and diplomatic relations with the Kingdom of Bahrain, and on this momentous occasion, I would like to offer my heartfelt congratulations to our friends in Bahrain and to our Bangladeshi expatriates residing in the Kingdom.

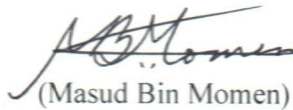

Over the past five decades, our nations have fostered a strong bond of friendship and cooperation. We are proud of the progress we have made together in various fields, particularly in terms of trade, manpower, education, and cultural exchange for the prosperity of our respective nations.

The accomplishment of our 50 years of friendship presents a great opportunity to jointly celebrate our achievements and chart a course for an even more prosperous future of both our nations. Bangladesh is committed to enhance our existing ties as well as exploring new avenues for collaboration in fields like ICT, healthcare, pharmaceuticals, and investment. We are also open to foster deeper bilateral engagements and cultural understanding through exchange programs and joint ventures.

The potential for collaboration between Bangladesh and Bahrain can prove to be very lucrative for both nations. With shared values, complementary strengths, and a common desire for progress, we stand on the cusp of a remarkable era. I am confident that in the years to come, our bilateral relations will flourish and bring immense benefits to our nations.

I take this opportunity to express my sincere gratitude to the Bahraini leadership for their unwavering support to Bangladesh over the years. Let us celebrate the past, embrace the present, and work together to build a prosperous future for our people.

May the friendly ties between Bangladesh and Bahrain continue to grow stronger with time!

(Masud Bin Momen)
