

Requirements for Electronic Passport

For new e-Passport or conversion of MRP to e-Passport

Any Bangladeshi citizen residing in Sweden, Norway and Finland with Bangladeshi Digital Birth Certificate/NID can apply at the Embassy of Bangladesh in Sweden for a new e-Passport.

Very Important: Please note that applicant aged 6 or over must be present in-person at the Embassy for biometric enrollment. Applicant aged below 6 does not require biometric enrollment.

Online Appointment: All applicants must book online appointment to submit e-Passport application.

Documents required for e-Passport:

1. Printed copy of first page of the filled-in online application form (with bar code). To fill out the application, please visit: www.epassport.gov.bd
2. A printed copy of your online appointment confirmation to provide biometric data (fingerprint, photo, iris recognition).
3. Original Bangladeshi Passport (MRP or hand-written) and 01 (one) set photocopy of the information page/pages. (Applicants with Bangladeshi passport). For lost passport, a police report is required.
4. Photocopy of applicant's National ID Card or Digital Birth Certificate (English version). Online or e-verified birth certificate is also accepted.
5. Applications for aged below 6 should be submitted either in person at the embassy or sent by post. **Applications sent through email will not be accepted.**
6. Recently taken 4R sized color photograph with white background and lab print (Applicants aged below 6).
7. Photocopy of applicant's residence permit.
8. Photocopy of valid university student ID card and copy of current registration paper (The discount is applicable to undergraduate and post-graduate students only).
9. Other relevant documents as per requirement (marriage certificate, divorce certificate, etc). Documents must be attested from the Ministry of Foreign Affairs Dhaka, Bangladesh.
10. Bank payment receipt of application fee. **(Cash is not accepted)**
