

# OBSERVATION OF GENOCIDE DAY

---

25 March 2024  
Embassy of Bangladesh, Stockholm

The Embassy of Bangladesh observed the Genocide Day.

The Genocide Day commemorates the tragic events of 1971 when the Pakistani military launched a brutal crackdown on the Bengali population - particularly targeting intellectuals, students, and civilians who were advocating for the independence of Bangladesh. This crackdown marked the beginning of the Bangladesh Liberation War, which ultimately led to the independence of Bangladesh from Pakistan. It is a solemn occasion to honor the memory of the countless lives lost and to reaffirm the commitment to uphold the principles of justice, freedom, and human rights.
