Embassy of Bangladesh, Stockholm

The Bangladesh ICT Professionals in Sweden (BIPS), in collaboration with the Bangladesh Embassy in Stockholm, hosted 'Rise & Lead' — an engaging networking and knowledge-sharing event for Bangladeshi IT professionals, entrepreneurs, researchers, and students residing in Sweden. The afternoon featured insightful discussions and ample networking opportunities, facilitated by the Embassy officials.

Guest speakers shared their personal journeys and expertise in the ICT field, offering valuable insights into their growth, challenges, and achievements. They emphasized the importance of unity in overcoming future challenges in the rapidly evolving tech landscape. The interactive presentations sparked thought-provoking and insightful discussions among the participants. The event provided a platform for Bangladeshi professionals to connect, learn, and explore new avenues for growth and success within the Swedish IT sector.
